DETAILED ACTION

Reasons for Allowance

1. The following is a statement of reasons for the indication of allowable subject matter:

Claim 1 is allowable over the prior art of record, because the prior art of record does not disclose "a feedback circuit provided between said current detector circuit and said control circuit, said feedback circuit including a signal hold section for holding a signal, said feedback circuit being operable to supply the first feedback signal to the control circuit when the load current flows and to supply a second feedback signal to the control circuit when the load current does not flow wherein said second feedback signal has a signal value approximately equal to that of said first feedback signal at a certain time point". Along with the remaining features of the claim.

Conclusion
